AFFIDAVIT

Utah Code Subsection 62a-16-302(2)(b) requires the Child Welfare Legislative Oversight Panel to review, in a closed meeting, all fatality review reports provided to it through the Office of Legislative Research and General Counsel. The Child Welfare Legislative Oversight Panel met for this purpose on January 11, 2012. The meeting was closed upon a motion approved by a majority of a quorum present.

As required by Utah Code Subsection 52-4-206(6)(a), I hereby affirm that the sole purpose for closing the meeting was to discuss a purpose described in Subsection 52-4-205(2) (i.e., to discuss a fatality review report, a response to a fatality review report, or an individual case).

Signed this 11 day of Jan. 2012.
