Subject: VTD population counts for House base map adopted 9/12 by Redistricting Committee
Attachments: Sumsion_18---(base plan adopted 9-12-11)b with VTD pops.pdf, Sumsion_18 (adopted by

Rep. King,

As requested by Rep. Hendrickson, attached is the base map adopted yesterday by the Redistricting Committee, with VTD population counts. This map has fewer street labels than the map I sent last night because I have force-labeled every VTD with its population count. If you need to know a street name that doesn't show up on this map, you can look at the map I sent last night.

The block assignment file for the plan is also attached.

Subject: Map packets for three redistricting plans that passed
Attachments: _Senate---Combined.pdf, _House---Combined.pdf, _School---Combined.pdf

John, Jerry, Joseph, Leif, Art, Brian, Phil, Ben, Allison, Rich:

FYI: Attached are 8.5 x 11 map packets for the Senate, House, and School Board plans that have passed both the House and the Senate.

We gave out a couple of packets today in response to legislator requests. Senate, House, and School Board files have 8, 11, and 5 maps, respectively.

Jerry has asked that I add the office logo at the bottom of the maps next week.

I got asked today by a legislator today for a map with more detail. The maps point users to RedistrictUtah.com for additional detail.

You can find these maps at "V:\MasterWorkspace\Documentation of 4 Plan Types\ENROLLED---COMBINED PDFs of individual areas around state".
