

**REQUEST FOR PROPOSALS to the Utah State Legislature  
Cell Phones, Cell Phone Service, and Data Service, 2009-01**

**ADDENDUM 2**

**Addendum Date: September 29, 2009**

We have received a request for information regarding the rate charged by our current voice and data service provider. Until recently, we had a plan that offered unlimited voice service, unlimited data service and unlimited text messaging at a rate of \$122 per device. The new plan that we are in the process of changing to offers 1,000 minutes voice service per month, per device, unlimited data service and unlimited text messaging for \$74.80 per device. The 1,000 minutes are pooled.
