

AGENDA

NATURAL RESOURCES, AGRICULTURE, AND ENVIRONMENT INTERIM COMMITTEE UTAH LEGISLATURE

Wednesday, November 19, 2003 • 10:30 a.m. • Room 303 State Capitol

1. Committee Business

- Call to Order
- Approval of the minutes of the October 15, 2003 meeting
- Reports to the committee required by statute - Staff

2. Gubernatorial and Legislative Task Force on Alternative Revenue Sources for Water Funding Report

The Task Force, created in the 2002 Fifth Special Session, is required to make recommendations relating to alternative revenue sources for water funding to the Natural Resources, Agriculture, and Environment Interim Committee.

- Sen. Tom Hatch and Rep. David Ure, Task Force Chairs

3. Hazardous Waste Regulation and Tax Policy Task Force Preliminary Report

The Task Force, which is continuing its study of radioactive, hazardous, and solid nonhazardous waste in the 2004 interim, is required to present a preliminary report to the Natural Resources, Agriculture, and Environment Interim Committee.

- Sen. Curtis Bramble and Rep. Stephen Urquhart, Task Force Chairs

4. Impacts of Gravel Pits Task Force Final Report

The Task Force is required to present a final report on the operation of gravel pits in the state, including any proposed legislation, to the Natural Resources, Agriculture, and Environment Interim Committee.

- Sen. Peter Knudson and Rep. Ben Ferry, Task Force Chairs

5. County Land Use Management Plan

Rep. Johnson will discuss proposed legislation establishing statewide land use policy. The proposal is intended to assist counties in establishing land use management plans that can be used to influence federal resource management decisions.

- Rep. Brad Johnson

6. Dam Safety

The State Engineer has the authority to regulate dams for the purpose of protecting public safety. The Division of Water Rights is considering changes to dam safety regulation. Rep. Styler and the State Engineer will discuss these changes.

- Rep. Michael Styler
- Jerry Olds, State Engineer

7. Instream Flow

Rep. Styler and Alan Matheson will discuss proposed instream flow legislation.

- Rep. Michael Styler
- Alan Matheson, Director, Trout Unlimited

8. Other Items / Adjourn
