Dear Chairs and Committee Members:

The Native American Legislative Liaison Committee (NALLC) requests approval to hold a one-day meeting with the Confederated Tribes of the Goshute Reservation in Irapah, Utah during the 2012 interim. The meeting is in furtherance of NALLC's statutory charge to serve as a liaison between tribes and the Legislature. To reduce expenses, we are encouraging committee members to travel in the state vehicle being procured for their transportation, and lunch would be provided courtesy of our hosts, the Confederated Tribes of the Goshute Reservation.

Thank you for your consideration of this request.

Sincerely,
