

Representatives from the Utah System of Higher Education and the Utah Department of Veteran's Affairs have identified the following potential areas to be applied in an MOU:

- Certification of VA educational benefits
- Enrollment in post-secondary programs
- Assisting veterans to complete the VA educational application
- Referral and contact information for community veteran's support services
- Deferment of tuition until veteran educational funds are available
- Assisting with application for financial aid and helping to resolve financial aid issues
- Coordinating with academic officials for program enrollment, entry requirements, etc.
- Advocating for veterans with campus entities and personnel
- Coordinating with non-academic support services to assist veterans in college persistence
- Reasonable Transfer of Credit
- Reduced Academic Residency
- Credit for Military Training and Experience
- Credit for Nationally-Recognized Testing Programs
- Statement regarding veterans preferences in hiring
- Full-time job announcements posted through DWS
- Annual Veterans Affairs training for veteran's certification personnel
- Participation in VA work study program
- Encourage establishment of veteran's student senator position for student body organizations
- Participation in a statewide veteran's coordination council

It is anticipated this MOU would be formalized over the next several months. USHE will seek support from campus officials from the individual institutions. This MOU will also likely requires some additional updates to Board of Regents policies.
