

The Utah Retirement Systems (URS) requests that the Retirement and Independent Entities Interim Committee approve a motion for the following committee bill files to be opened for drafting as potential URS-related legislation for the 2017 General Session:

- **Tier II Systems Amendments.** *The Tier II Systems will be studied during the 2016 Interim and this bill file can be a vehicle to cover any statutory changes resulting from that study.*
- **Retirement Systems Amendments.** *The annual technical and administrative amendments bill.*
- **Phased Retirement Amendments.** *As URS follow-ups on the program enacted in the 2016 General Session, this can be a vehicle to cover any needed statutory amendments.*
- **Retirement Systems' Payments to Survivors Amendments.** *URS has been reviewing beneficiary designations, surviving next of kin issues, and payments to survivors and will propose some statutory amendments.*
- **Firefighters' Disability Retirement Benefit Amendments.** *URS has been meeting with firefighter representatives about the disability benefits provisions in the Firefighters' Retirement Act and will jointly propose some statutory amendments.*
- **Public Employees' Long-Term Disability Act Amendments.** *PEHP will propose some amendments relating to long-term disability benefits provisions.*
