Horace Mann

The American Public Education System was directly imported from Prussia (modern day Germany). This model of "free and compulsory" education was designed by the Prussian Emperor, in order to generate obedient workers and soldiers who would not question authority.

Edward Thorndike

(1874-1949)

Human Intellect is fixed

The purpose of education is to sort and rank students by their fixed intellect to enable higher education and employers to know the geniuses from the imbeciles

L. TODD ROSE

WITH KATHERINE ELLISON

Todd's story has a happy ending, unlike millions of other misfits forced painfully to conform to normative education
