Description:

HB 155 (2014 GS) Merges the Utah Communications Agency Network (UCAN), an independent state agency, and the Utah 911 Committee into an independent state agency named the Utah Communications Authority (UCA). Creates the UCA for the statewide purpose and need to consolidate the management of 911 emergency services and communications in the state and to create a statewide computer aided dispatch platform. Amends the duties of the UCA to include: 1) administer the program established for the computer aided dispatch system, and 2) coordinate with the Utah 911 Committee. Creates the Office of the 911 Program Manager within the UCA to provide staff and support to the Utah 911 Committee. Amends membership and duties of the Utah 911 committee. Creates the Radio Network Division within the UCA to provide technical staff and support to UCA. Creates the Office of Statewide Interoperability Coordinator in UCA and establishes its duties. Establishes the Computer Aided Dispatch Restricted Account within the General Fund administered by the Division of Finance, for the purpose of enhancing public safety and creating and maintaining a shared computer aided dispatch system. The account shall be funded from the emergency services telecom charge at UCA 69-2-5.5. Modifies the distribution of revenue collected from the wireless 911 charges. Provides transition language that instructs the Division of Finance, the Department of Technology Services, the Division of Facilities and Construction Management, and the Department of Human Resource Management regarding the transfer of employees, benefits, property, equipment, and assets into UCA. Requires that the Memo of Understanding regarding the transfer of employees be posted on the state's transparency website. Renames the Statewide Unified E-911 Emergency Service Account.
