The 1998 Legislature, through HB202 recodified the transportation code. UCA 72-2-102 was enacted.

The 2000 Legislature (SB 40) Removed the registration reinstatement fee (UCA 41-1a-1220) as a funding source for the Transportation Fund. The fee now goes to the Uninsured Motorist ID Restricted Account (Fund 284).

HB 383 (2007 GS) Reallocates the 1/16% sales and use tax revenue dedication for class B and C roads, corridor preservation, and the State Park Access Highways Improvement Program to the Transportation Fund. Changes the percentage of the Transportation Fund revenue that is deposited in the Class B and C roads account from 25% to 30%. Amends certain reapportionment provisions for the distribution of the class B and C roads account. Fiscal impact: by removing the cap it is estimated to divert \$5,957,000 from the GF to the Trans Fund in FY 08. The net result to UDOT in FY 08 is est. to be an increase of \$3,562,500.

HB 399 (2013 GS) Changes the terminology of each "restricted special revenue fund" to a new designation of "expendable special revenue fund." The bill also provides intent language that any reference to "restricted special revenue fund" in the code be replaced with "expendable special revenue fund." Thus, the three new restricted special revenue funds created during the 2013 session will be so designated. (# 2330, 2185, 2201) Classifies the following funds as "capital projects funds": Transportation Investment Fund of 2005; Centennial Highway Fund; and Critical Highway Needs Fund.
