Dear Representative Briscoe,

As a citizen of Utah, I urge you to VOTE NO on the current map being discussed in the House.

I have studied the maps and I would suggest to you that the best map, based on contiguousness and compactness, is the Garber Citizen Map (modified, sponsored by Representative Brian King).

Please vote for this compromise map. I know you have worked very diligently for the people of Utah, and I thank you for it.

Please consider the "Fair 4 Utah Counties and Cities" plan (ID 68408).

My "Fair 4 Utah" plan was submitted to the Redistricting committee by Rep. Fred Cox at the Oct 7th meeting. This modified plan addresses many of the concerns.

This plan has key elements put together like no other plan. It is compromise plan fair 4 Utah.

The plan has been submitted but does not show on the redistrictUtah.com site. In place of a online link, images are attached.

In the Fair 4 Utah Counties and Cities plan:

- All of the counties are whole except Salt Lake.
- The Eastern, Southern, and Western Counties are grouped the same as the Rep. Sumsion map that passed the Senate. (If there is a better grouping, I can still make it work with Counties and Salt Lake county Cities together.)
- Salt Lake county is mostly split into two districts 84% with a small portion in the other two districts.
- All of the cities in Salt Lake county are whole except West Valley City and three others (South Salt Lake, Salt Lake City, and Herriman) with minor splits. As an example Salt Lake City is all in one district except about 100 people.
- In Salt Lake County the cities are grouped based on their similar shared communities.
- District 2, 3, and 4 are at the target mean of 690,971. District 1 is one over at 690,972.
- 

In Salt Lake County		
District 1	93,813	9%
District 2	539,727	52%
District 3	67,995	7%
District 4	328,120	32%
Total	1,029,655	100%

Good congressional districts are so important.

Thank you for your efforts and time!

Please map the new districts with a mix of the people of the state of Utah for these reasons.

- 1 It benefits all Utahns to have four Congressmen with a stake in Salt Lake County instead of just one.
- 2 It benefits all Utahns to have four Congressmen who are advocates for rural Utah, particularly our public lands and natural resources instead of just one.
- 3 It benefits all Utahns to have four equally competitive Congressional Districts where a good candidate from either party has a chance to win.
- 4 We will maximize the quality of our candidates from both parties if we make all four districts as equal and as competitive as possible.
- 5 It is both equitable and wise to establish four, equal 60-40 districts rather than any one district made too heavily Republican or Democrat.
- 6) We are not interested in electing Congressmen who bring home the bacon for a specific community of interest, Republican or Democrat. We want Congressmen who will fight for a national balanced budget and preservation of American liberty, not pork.
- 7) The Democrats are going to file suit regardless of which map the Legislature adopts. It is irresponsible for a heavily Republican legislature to cede Democrats advantages that are literally harmful to our country and state and then take a PR whipping anyway.

I urge you to vote against the Senate pizza plan, as well as the plan secretly drawn by Lockhart and associates. I think it is wrong to legitimize unethical practices as well as wasteful practices. Taxpayers paid a million dollars for a redistricting committee which was apparently used as a smoke screen to Republican gerrymandering plans. The arrogance of that party is astounding.

The maps are difficult to read on the computer but the looks of Gerber Citizen Map and the comments about it appear to me to be the best choice.

As a constituent I ask that you take a more vocal position on redistricting. This is a core issue for the party, and I want to hear you take a strong, public standing against gerrymandering. This is not just Jim Dabakis's issue. He needs to be backed up by elected officials in the legislature.

Dear Utah House members,

I am writing to encourage you to pass SB 3002, which was vetted by the Redistricting Committee and passed by the Utah Senate. SB 3002 brings a fair urban-rural balance to the redistricting process and treats southern Utah fairly.

Now is not the time to start over and try to pass a whole new map that has not been through the committee process and public scrutiny. If you do, it will lead to diminished public support for those who pushed the last-minute changes. It also appears to me that any last minute changes will be subject to a lawsuit on the grounds that they are based on partisan calculations, which is prohibited by the redistricting rules.

Let's finish the process tomorrow by passing SB 3002!

Dear Representatives and Senators,

An article in the Deseret News (Saturday, Oct. 15, 2011) has us seriously concerned.

The general tone of the article is that the special session on Monday will be quick and that minds have already been made up. We would urge you to not act in haste. We know members are all aware that the Legislature is allowed up to thirty days to complete the redistricting task with a special session.

We recognize that the process of redistricting has been long and challenging, but to suggest that all discussion and examination of alternative maps is over seems premature. It's a disservice to the people of Utah, to not consider a map that will ensure the fairest representation.

The final map will serve the people of Utah for ten years. It deserves all the time and effort necessary to get the right map.

Represent Me Utah! Has been following the redistricting process since our first rally on a snowy day in April on the steps of the capitol. Our goal has been to raise public awareness of this important process, and we think we have achieved that goal. We have attended almost every Redistricting Committee meeting across the state and have kept the public updated. We have conducted many informal polls and surveys. In fact, we have a petition of over five thousand signatures from citizens concurring that they want to keep their communities together.

Again we implore you to act with caution and deliberation. Please be patience and tolerant in this last stretch of the process, especially when you hear the voices of a frustrated public. We have heard Speaker Lockhart eloquently state many times before, if the process is good, the product usually is also good. Please let the process continue without an unnecessary hurriedness.

Thank you for your public service,

Represent Me Utah!

Dear Legislators,

You are meeting this Monday, October 17, 2011 to finalize the redistricting map. The Utah Senate has passed the most equitable bill (redistricting plan).

Speaker Becky Lockhart is pushing two new plans to introduce tomorrow. You made a decision, now is not the time to make any changes or wavier on that decision. It is a good redistricting plan.

(\*Early last year the Utah State Legislature made "last minute changes" to adopt a bill regarding illegal immigration and found themselves in hot water, with a bill that the citizens of Utah were greatly dissatisfied with.)

I respectfully request that you move forward, no further considerations and adopt the plan as accepted by the Utah Senate, today, Monday, October 17, 2011.
