Grin! I understand your irony remark, but I know the folks at the restaurant, and they are not illegal aliens! AND, the actual meeting is at 3:00 at the commissioner's office.

Watching "from a distance" won't help us get this on the commissioner's agenda, and that is why we asked you to join us in this effort.

To all of you, without your support, likely, we are not going to be successful.

Hope to see - you all.

Thanks,
Russell

Chris Herrod - Lehi City Redistricting Resolution 2011

From: "Bert Wilson" <BWilson@lehi-ut.gov>
To: <garya@utah.gov>, <larrye@utah.gov>, <dougw@state.ut.us>, <bdaw@utah.gov...>
Date: 9/22/2011 1:43 PM
Subject: Lehi City Redistricting Resolution 2011
Attachments: Lehi City 2011 Redistricting Resolution.pdf

Please consider the enclosed resolution that Lehi City has adopted for the purpose of redistricting. Lehi City feels it is very important to be included in a whole district due to our size, and being the fastest growing city in Utah County.

Thank you for your consideration.

Mayor Bert Wilson
Lehi City
801-362-9999

RESOLUTION #: 2011-38

Lehi City 2011 Redistricting Resolution

Whereas, state governments redraw district boundaries every ten years based on the results of the most recent census and reapportionment results, and

Whereas, using results from the 2010 census, the Utah State Legislature is redrawing districts for the United States House of Representatives, the Utah House of Representatives, the Utah Senate, and the Utah State Board of Education, and

Whereas, redistricting ensures that each citizen's vote carries the same weight and preserves the ideal of "one person, one vote", and

Whereas, the Utah legislature has created a redistricting committee made up of legislators from around the state, and

Whereas, there has been established, fundamental core standards to which, the 2011 Redistricting Committee must adhere as they draw maps; namely

1. Congressional Districts must be nearly equal as practical with a deviation not greater than $\pm .1\%$
2. State legislative districts and state school board districts must have substantial equality of population among the various districts with a deviation not greater than $\pm 3.5\%$.
3. Districts will be single member districts.
4. Plans will be drawn to create four Congressional Districts, 29 State Senate Districts, 75 State House Districts and 15 State School Board Districts.
5. In drawing districts, the official population enumeration of the 2010 decennial census will be used.
6. Districts will be contiguous and reasonably compact.

And whereas, the 2010 census tally found that total resident Utah population is 2,763,885, and

Whereas, the same census found that the total resident Lehi City population is 47,407, and

Whereas, the same census found that an ideal district size for a State Senate seat 95,306, for a State House seat 36,852, for a State School Board seat 184,259, and

Whereas, as mentioned above a redistricting plan must take into account traditional redistricting criteria such as compactness, contiguity, and respect for political subdivision lines and communities of interest, and

Whereas, Lehi City is clearly a reasonably compact, contiguous community of interest with political subdivision lines, and

Whereas, the way lines are drawn can keep a community together or split it apart, leaving it without a representative who feels responsible for its concerns, and

Whereas, the way lines are drawn can change who wins an election, and

Whereas, based on census criteria, Lehi City merits representation of 1 State Senate seat, and

Whereas, based on census criteria, Lehi City merits representation of 1 State House seat, and

Whereas, multiple preliminary redistricting proposals for State Senate and State House split up Lehi City in ways that significantly diminish its reasonably compact, contiguous community of interest with political subdivision lines,

Whereas, Lehi City has no direct representation in the State Senate and the State House despite being the third largest city in Utah County, and

Whereas, 2001 redistricting has caused Lehi City to be under represented in State government for the last 10 years, and

Whereas, in the interest of accountability and fairness, Lehi City's citizens merit representation of those who live in Lehi City.

Therefore, let it be resolved that Lehi City strongly urges the Utah Legislature and the 2011 Redistricting Committee to do the following:

Ensure that Lehi City receives one State Senate seat wholly inside Lehi City.

Ensure that Lehi City receives one State House seat wholly inside Lehi City.

Furthermore, let it be resolved that if Lehi City does not receive the representation it merits, we encourage Lehi City businesses, residents and government leaders to use all means at their disposal to fight for merited Lehi City representation.

Furthermore, be it resolved that a copy of this resolution be sent to each member of the redistricting committee and each member of elected and appointed leadership in both the Utah House and Senate, Governor Herbert and Utah County Commissioners.

This resolution shall take effect immediately upon its adoption.

Approved and Adopted by the City Council of Lehi City this 30th day of August, 2011.
