Mr. Romero.

I am very angry with the Republicans in the House and Senate and their gerrymandering. I believe the Garber Citizen Map is by far the better choice among the current maps proposed.

Respectfully,

Maria Kinghorn,

Resident of Senate District 7

Senator Ross Romero,

Please consider the Garber Citizen Map is far better than the other three remaining proposed maps. It is one of the most compact and contiguous map we have seen presented. It separates Salt Lake ONLY into only two districts. Thank you!

Please know that my husband, Barry Walker, and I support, prefer and wish the "Garber Citizen Map modified" be the map adopted for redistricting our state of Utah. It may not please the Republicans in the Legislature, but it most closely represents the wishes of the citizenry which is reason enough to adopt it. Thank you.

Dear Mr. Romero,

Please support the Congressional map sponsored by Representative Brian King that is a modification of the Garber Citizen Map. It splits Salt Lake County into only two, and Utah County into only two. So far this map comes closest to representing the makeup of Utah's citizens and communities.

Sincerely,  
Dr. Emina Alibegovic

I urge you to vote against the Senate pizza plan, as well as the plan secretly drawn by Lockhart and associates. I think it is wrong to legitimize unethical practices as well as wasteful practices. Taxpayers paid a million dollars for a redistricting committee which was apparently used as a smoke screen to Republican gerrymandering plans. The arrogance of that party is astounding.

The maps are difficult to read on the computer but the looks of Gerber Citizen Map and the comments about it appear to me to be the best choice.

Dear sirs:

I have been paying limited attention to the redistricting issue, but really like the Garber Citizen Map and hope you will endorse it. It is no secret that Utah is a pretty gerrymandered state, and there must be good reason for this issue to be generating as much attention as it has.

Thank you,

Dear Representatives and Senators,

An article in the Deseret News (Saturday, Oct. 15, 2011) has us seriously concerned.

The general tone of the article is that the special session on Monday will be quick and that minds have already been made up. We would urge you to not act in haste. We know members are all aware that the Legislature is allowed up to thirty days to complete the redistricting task with a special session.

We recognize that the process of redistricting has been long and challenging, but to suggest that all discussion and examination of alternative maps is over seems premature. It's a disservice to the people of Utah, to not consider a map that will ensure the fairest representation.

The final map will serve the people of Utah for ten years. It deserves all the time and effort necessary to get the right map.

Represent Me Utah! Has been following the redistricting process since our first rally on a snowy day in April on the steps of the capitol. Our goal has been to raise public awareness of this important process, and we think we have achieved that goal. We have attended almost every Redistricting Committee meeting across the state and have kept the public updated. We have conducted many informal polls and surveys. In fact, we have a petition of over five thousand signatures from citizens concurring that they want to keep their communities together.

Again we implore you to act with caution and deliberation. Please be patience and tolerant in this last stretch of the process, especially when you hear the voices of a frustrated public. We have heard Speaker Lockhart eloquently state many times before, if the process is good, the product usually is also good. Please let the process continue without an unnecessary hurriedness.

Thank you for your public service,

Represent Me Utah!

Senator Romero -

We share the same political party and I feel that you usually represent my positions on the various issues that come before the legislature. I want to take the opportunity to tell you that I support the Garber modified map or some other that is not such an obvious attempt to gerrymander the districts for the Republican party candidates. Thank you.

Dear Senator,

You are meeting this Monday, October 17, 2011 to finalize the redistricting map. The Utah Senate has passed the most equitable bill (redistricting plan).

Speaker Becky Lockhart is pushing two new plans to introduce tomorrow. You made a decision, now is not the time to make any changes or wavier on that decision. It is a good redistricting plan.

(\*Early last year the Utah State Legislature made "last minute changes" to adopt a bill regarding illegal immigration and found themselves in hot water, with a bill that the citizens of Utah were greatly dissatisfied with.)

I respectfully request that you move forward, no further considerations and adopt the plan as accepted by the Utah Senate, today, Monday, October 17, 2011.

Dear Senator,

I would like the Utah State Legislature to not make last-minute changes and to proceed to pass the map that was supported by the redistricting committee. Reject any last minute attempts to water down rural Utah's influence.

Support SB 3002, which was recommended by the redistriction committee and has already passed the Utah Senate.

Sincerely,
