1. Committee Business

Chair Sumsion called the meeting to order at 9:13 a.m.

MOTION: Sen. Van Tassell moved to approve the July 20, 2011 Rose Park minutes and the July 26, 2011 Vernal and Park City minutes. The motion passed unanimously with Rep. Watkins absent for the vote.

2. Committee Review of Redistricting Plans

Mr. Peter Corroon, Salt Lake County Mayor, said that Salt Lake County prefers a doughnut approach to congressional redistricting and asked the Committee to minimize the number of districts that Salt Lake County is split up into to keep communities of interest together.

Chair Sumsion said that he was planning on making a motion at Monday's meeting for the Committee to adopt a State School Board plan as a committee recommendation to the full Legislature. As part of this motion, he said he would also move that the committee authorize staff to make minor technical corrections to the plan to be subsequently approved at a final meeting of the Committee before the Legislature considers these plans in a special session. He then distributed a handout to the Committee containing the language of the motion.

SCHOOL BOARD PLANS

Committee staff distributed a handout listing state school board plans submitted on RedistrictUtah.com.

The Committee chairs distributed a letter from the Utah State Board of Education discussing their preference for plans. They also distributed a memorandum showing the Board of Education's

handout item 15). He also distributed a Utah Citizens' Counsel News Release that recommended a non-partisan citizens' committee to be created for redistricting.

Mr. Merrill Nelson, Utah Citizens Counsel, presented "UCC Senate Plan A-1" (senate handout item 16) and discussed the rationale of the plan.

Rep. Cox discussed his senate plan "Draft 1" (senate handout item 7) and explained the rationale of the plan.

Chair Okerlund discussed David Edward Garber's "Garber SDs B" (senate handout item 3), David Edward Garber's "Barber SDs C" (senate handout item 4), Adam Bass's "State Senate Maps" (senate handout item 5), Beau Sorensen's "Senate Redistricting" (senate handout item 6), and Jon Greiner's "Jon Greiner 1" (senate handout item 8). President Waddoups said he liked the "Jon Greiner 1" map because it illustrates that communities of interests are different for different people.

Chair Okerlund also discussed Robert Wren's "Senate redistribution" (senate handout item 9), Gary Hawes's "One Great Plan" (senate handout item 11), Gary Hawes's "new senate plan" (senate handout item 12), Chad S's "Chad Senate" (senate handout item 13), and Michael Jolley's "Michael Jolley Senate Districts" (senate handout item 14).

Mr. Gorman said that the Navajo nation has unique issues and should be taken into consideration in redistricting. He also said that the 2010 Native American population in senate district 27 is 8.5%. He said the Navajo Nation supports Adam Bass's "State Senate Maps" (senate handout item 5), Steve Clark's "Steven Clark_State Senate I" (senate handout item 10), and the Utah Citizen Counsel's "UCC State Senate B" (senate handout item 15) because they follow the current district 27 line, preserving the Native American population within that district.

Dr. Sue Connor, Represent Me Utah, said that she opposes Steven Clark's "Steven Clark_State Senate I" (senate handout item 10) map because his description said that he created the map with incumbents in mind. She said that she supports the Utah Citizen Counsel's "UCC State Senate B" (senate handout item 15) map because it keeps communities of similar interests together. She said that she also supports Rep. Cox's plan "Draft 1" (senate handout item 7) because it did not take incumbency into consideration. She responded to questions from the Committee.

Mr. Ken Froehle, Represent Me Utah, said that incumbency protection is not what the government needs.

Mr. Chris Sloan, Tooele County Republican Party, thanked the Committee for the work done on Redistricting. He said that Tooele county identifies more with the western side of Salt Lake County than they do with Utah County and asked the Committee to keep Tooele County as whole as possible.

Mr. Glen Wright, Fair Boundaries, said that Fair Boundaries is looking into a software that will allow them to see how many times county boundaries are crossed in proposed maps to give an objective number to compare maps with. He also said that Fair Boundaries will be publishing ratings on different presented maps. He responded to questions from the Committee.

Rep. King asked staff if there was a way to mathematically measure the plans to see how compact the boundaries are. Mr. Cannon said that there are several measures of compactness with the current Redistricting software.

without favoring any party or group.

Mr. John Hansen, citizen, presented and discussed a map that was not contained on the list titled "Plan: JAH for Utah."

Mr. Cannon clarified how Committee staff defined the classifications of two types of plans on the handout. Mr. Cannon said that proposed districts containing a mix of rural and urban communities were being referred to as pizza plans, whereas proposed district plans that did not contain a rural urban mix were referred to as doughnut plans.

Chair Sumsion reviewed the following congressional plans: Alex de la Torre's "Alex's Congressional Districts" (congressional handout item 1), Beau Sorensen's "Sorensen Plan" (congressional handout item 2), David Edward Garber's "Garber CDs" (congressional handout item 3), Jason Steffen's "Jason Utah Plan" (congressional handout item 7), Norman Allen's "normallen plan 1" (congressional handout item 11), Steve Swann's "Swann Congress Plan 1" (congressional handout item 12), Jeremy Johnson's "Turbo" (congressional handout item 14), Daniel Mejia's "Congress - Davis - Centered" (congressional handout item 23), and David Hulme's "4" (congressional handout item 25).

Chair Okerlund reviewed the following congressional plans: David Edward Garber's "Garber CDs B" (congressional handout item 5), John Evans' "Plan 1" (congressional handout item 8), Jon Stanard's "Stanard_1 Submit" (congressional handout item 10), Brian Fabbi's "Congressional District" (congressional handout item 13), and Bob Bernick's "bobcong2" (congressional handout item 105).

Rep. King presented the Salt Lake City Council and Mayor's "Salt Lake City Congressional Map 2" (congressional handout item 120).

Sen. McAdams presented the Salt Lake City Council and Mayor's "Salt Lake City Congressional Map 1" (congressional handout item 121).

Mr. Gorman said that there are areas of Utah with a significant number of Native Americans, in particular the current Congressional District 2. He said that the Navajo Nation has similar interests with other Native Americans and together could be considered a community of interest.

Mr. Sloan, commented against the Salt Lake City Council and Mayor's "Salt Lake City Congressional Map 1" stating that Salt Lake County would overpower and likely silence Tooele County's voice in the future.

3. Adjourn

MOTION: Sen. Davis moved to adjourn the meeting. The motion passed unanimously with Rep. Gibson absent for the vote.

Chair Sumsion adjourned the meeting at 2:20 p.m.

Ms. Sue Connor, Represent Me Utah, said she supports the "Dave Thomas 5" map because the State Board of Education recommended the plan. Chair Sumsion and Speaker Lockhart asked her how she saw supporting a map drawn by the State Board, which allowed the State Board of Education to choose their own constituents, was different than having the Legislature draw maps that allowed them to choose their own constituents, something that Ms. Connor had complained about in the past. Ms. Connor said that she sees the State Board of Education as providing public input and that she still supported the "Dave Thomas 5" map.

MOTION: Sen. Reid made a motion to adopt the "Dave Thomas 5" State School Board plan as a Committee recommendation to the full legislature pending the readjustment of Tooele County. He also authorized staff to make minor technical changes to the plan.

Speaker Lockhart said that she would like more time to look over the additional presented plans before making a Committee decision on which plan to support.

Mr. Fellows said that the goal of the Committee is to have a Committee report to submit to the legislature in advance of the prospective session. He said that in previous redistricting years, this report has had one recommended map for each of the congress, senate, house, and school board districts.

Rep. Newbold said that there were features of several proposed school board maps that she would like to incorporate into one map.

Sen. Davis suggested the Committee adopt a base map, with amendments made to it, with a final map adopted at a later time.

SUBSTITUTE MOTION: Sen. Davis moved to use "Dave Thomas 5" as the base school board map with later changes made from recommendations by the Committee.

Chair Sumsion spoke against both motions because the Dave Thomas 5 split up counties too many times.

President Waddoups said he did not support the Dave Thomas 5 Map because it split up several school districts multiple times. He said he would be more comfortable using Mr. Robert Horning's school map as base map.

MOTION: Speaker Lockhart moved to recess for 30 minutes. The motion passed unanimously with Rep. King absent for the vote.

Chair Okerlund dismissed the committee members at 10:18 and reconvened the meeting at 10:48 a.m.

Mr. Joel Coleman, State Board of Education, said that the school board was not strongly behind the "Dave Thomas 5" map and even considered not putting forward any school board map.

The Committee voted on Sen. Davis's substitute motion to use the "Dave Thomas 5" state school board map as the base map. The substitute motion failed with Sen. Davis and Sen. McAdams voting in favor.

SUBSTITUTE MOTION: Rep. Ipson moved to adopt the Robert Horning school board map with the Committee authorizing staff to make minor technical changes. The substitute motion passed
