Subject: Open Letter to Redistricting Committee - Don't Pizza Slice the Districts

Don't Pizza Slice the Districts

Please, Utah Republicans, don't be greedy. It should be enough that you maintain a safe majority in most of the state, but it's not honest or just to jigger the boundaries to disenfranchise the Democrats in SLC, the one area where they are the majority. That's not democracy -- that's just bullying. Be honest and be content with your actual majorities. Let Democrats in Salt Lake have a chance to exercise their actual majority. In other words, don't pizza-slice the Democratic majority in SLC to make sure their votes will never count.

I live in Orem, and so I know my vote for a Democratic representative will never have much of a shot, but that's because my neighbors are all Republicans, and fair is fair. But if I lived in Salt Lake, where most of my neighbors were fellow Democrats, I would expect a reasonable chance of electing a Democrat as representative, because fair is fair.

The pizza slice proposal to defeat that basic democratic principle (small-D democratic!) is cynical and political. Please, show you have some honor and backbone, and do the right thing.

Redistricting Committee:

As you finalize your proposal for Utah's newest U.S. Congressional districts, I hope that you will be kind to rural Utahns, even though only about one-fifth of Utahns live beyond Utah's populous Wasatch Front. I've examined so many redistricting proposals, both from concerned citizens and from committee members, that (sadly) seem to needlessly forge careless arbitrary connections between Utah's rural towns and its urban centers; for example, some proposals cause St. Georgians to share their U.S. Representative with faraway Snowvillers but not with nearby Kanabites, which makes little sense to me. In my four proposals, by contrast, I strove diligently to divide Utah as sanely as possible into four sensible contiguous geographic regions---and I think that these four proposals divide rural Utah, especially, about as rationally as possible. I feel especially pleased with my Plan D. In any case, I hope that your committee will carefully consider these (and similar) proposals seriously, if it has not done so already. Thank you!

I just checked the other meetings, and the only other Congressional plans I have from President Waddoups are:

"Congressional Plan D - Doughnut hole" - presented June 15
"U.S. Congressional Plan - Waddoups Plan J" - presented July 9

Are either of those the "Waddoups_03" plan you would like printed? I've attached them as well. But again, if anything has changed on them since they were presented I will need an updated PDF.

John, Jerry, Joseph, Leif, Art, Brian, Phil, Ben, Allison, Rich:

FYI: Attached are 8.5 x 11 map packets for the Senate, House, and School Board plans that have passed both the House and the Senate.

We gave out a couple of packets today in response to legislator requests. Senate, House, and School Board files have 8, 11, and 5 maps, respectively.

Jerry has asked that I add the office logo at the bottom of the maps next week.

I got asked today by a legislator today for a map with more detail. The maps point users to RedistrictUtah.com for additional detail.

You can find these maps at "V:\MasterWorkspace\Documentation of 4 Plan Types\ENROLLED---COMBINED PDFs of individual areas around state".

Carol,

Having been through this process a few times yourself, I think you know better. This has been a very deliberative process. A number of my colleagues, including several democrats, have just finished floor speeches wherein they praised the process and the fair consideration that was given to their concerns.

I take great pride in how the redistricting has been handled. You are welcome to voice your opinion. Likewise, I can respectfully disagree with you.

Government of the people,by the people and for the people! What has happened to the members of the Utah State Legislature? The current lines drawn for reapportionment are strictly party driven. Stand up and move forward with fair boundaries. **Stop gerrymandering!**

REPEALS:

36-1-101, as last amended by Laws of Utah 2011, Chapter 74

Be it enacted by the Legislature of the state of Utah:

Section 1. Section **36-1-101.1** is enacted to read:

36-1-101.1. Definitions.

As used in this section:

(1) "Census block" means any one of the 115, 406 individual geographic areas into which the Bureau of the Census of the United States Department of Commerce has divided the state of Utah, to each of which the Bureau of the Census has attached a discrete population tabulation from the 2010 decennial census.

(2) "Senate block assignment file" means the electronic file that assigns each of Utah's 115, 406 census blocks to a particular Utah State Senate district.

Section 2. Section **36-1-101.5** is enacted to read:

36-1-101.5. Utah State Senate -- District boundaries.

(1) The Utah State Senate shall consist of 29 members, with one member to be elected from each Utah State Senate district.

(2) The Legislature adopts the official census population figures and maps of the

Bureau of the Census of the United States Department of Commerce developed in connection with the taking of the 2010 national decennial census as the official data for establishing Senate district boundaries.

(3) (a) The Legislature enacts the numbers and boundaries of the Senate districts designated in the Senate block assignment file that is the electronic component of the bill that enacts this section.

(b) That Senate block assignment file, and the Senate district boundaries generated from that Senate block assignment file, may be accessed via the Utah Legislature's website.

Section 3. Section **36-1-102** is amended to read:

36-1-102. Election of senators -- Staggered terms.

(1) Unless otherwise provided by law, each senator elected from Senate Districts [~~1, 6, 8, 10, 13, 14, 16, 19, 20, 23, 24, 25, 27, and 29~~] 2, 3, 5, 9, 11, 12, 15, 17, 18, 21, 22, and 26 at the [~~2000~~] 2010 General Election shall serve out the term of office for which he or she was elected and shall represent the realigned district if he or she resides in that district.

(2) At the general election to be held in [~~2002~~] 2012, senators elected from Senate Districts [~~2, 3, 4, 5, 7, 9, 11, 12, 15, 17, 18, 21, 22, 26, and 28~~] 1, 6, 7, 8, 10, 13, 14, 16, 19, 20, 23, 24, 25, 27, and 29 shall be elected to serve a term of office of four years.

(3) (a) Because the senator from Senate District 28 was appointed to fill a mid-term vacancy that occurred more than two years before the next regular general election, Subsection 20A-1-503(3) requires that the vacancy be filled for the unexpired term at the next general election.

(b) Consequently:

(i) at the general election to be held in 2012, the senator elected from Senate District 28 shall be elected to serve a term of office of two years; and

(ii) at the general election to be held in 2014, the senator elected from Senate District 28 shall be elected to serve a term of office of four years.

(4) (a) If one of the incumbent senators from new Senate District 4 files written notice with the lieutenant governor by close of business on January 3, 2012, that the senator will not seek election to the Senate from that Senate District 4, that incumbent senator may serve until January 1, 2013, and the other incumbent senator from District 4 shall serve out the term for which the member was elected, which is until January 1, 2015.

(b) (i) If one of the incumbent senators in Senate District 4 does not file the written notice authorized by Subsection (4)(a), the lieutenant governor shall designate Senate District 4 as an office to be filled in the 2012 regular general election in the notice of election required by Section 20A-5-101.

(ii) If the Subsection (4)(b)(i) contingency occurs:

(A) the senator elected from Senate District 4 at the 2012 regular general election shall be elected to serve a term of office of two years; and

(B) the senator elected from Senate District 4 at the 2014 regular general election shall be elected to serve a term of office of four years.

Section 4. Section **36-1-103** is amended to read:

36-1-103. Senate districts -- Copies -- Legal boundaries.

(1) (a) The Legislature shall file [~~copies of the official maps~~] a copy of the Senate block assignment file enacted by the Legislature[~~, and any other relevant data,~~] with the lieutenant governor's office.

(b) [~~Except as provided in Subsection (2), the~~] The legal boundaries of Senate districts are contained in the [~~official maps~~] Senate block assignment file on file with the lieutenant governor's office.

[~~(2) (a) Because of the new county boundary separating Salt Lake County and Utah County, the boundary separating Senate District 9 and Senate District 11 that followed the old county boundary is changed to follow the new county boundary eastward from the southwestern intersection to the point where the existing boundary of Senate District 9 turns north from the old county boundary.~~]

[~~(b) The following census blocks from the 2000 census are removed from Senate District 11 and placed into Senate District 14: Census Tract 010205, Blocks 1000, 1001, 3001, 3003, and 3004.~~]

[~~(3) When questions of interpretation of Senate district boundaries arise, the official maps on file in the lieutenant governor's office shall serve as the indication of the legislative intent in drawing the Senate district boundaries.~~]

[~~(4) Maps identifying the boundaries for Senate districts may be viewed on the Internet at the lieutenant governor's website.~~]

(2) (a) The lieutenant governor shall:

(i) generate maps of each Utah State Senate district from the Senate block assignment file; and

(ii) ensure that those maps are available for viewing on the lieutenant governor's website.

(b) If there is any inconsistency between the maps and the Senate block assignment file, the Senate block assignment file is controlling.

Section 5. Section **36-1-103.2** is amended to read:

36-1-103.2. County clerk, Automated Geographic Reference Center, and lieutenant governor responsibilities -- Maps and voting precinct boundaries.

(1) Each county clerk shall obtain [~~copies of the official maps~~] a copy of the Senate block assignment file for the clerk's county from the lieutenant governor's office.

(2) (a) A county clerk may create one or more county maps that identify the boundaries of Senate districts as [~~shown on the official maps~~] generated from the Senate block assignment file.

(b) Before publishing or distributing any map or data created by the county clerk that identifies the boundaries of Senate districts within the county, the clerk shall submit the county map and data to the lieutenant governor and to the Automated Geographic Reference Center for review.

(c) Within 30 days after receipt of a county map and data from a county clerk, the Automated Geographic Reference Center shall:

(i) review the county map and data to evaluate if the county map and data accurately reflect the boundaries of Senate districts established by the Legislature in the [~~official maps~~] Senate block assignment file;

(ii) determine whether the county map and data are correct or incorrect; and

(iii) communicate those findings to the lieutenant governor.

(d) The lieutenant governor shall either notify the county clerk that the county map and data are correct or notify the county clerk that the county map and data are incorrect.

(e) If the county clerk receives notice from the lieutenant governor that the county map and data submitted are incorrect, the county clerk shall:

(i) make the corrections necessary to conform the county map and data to the [~~official maps~~] Senate block assignment file; and

(ii) resubmit the corrected county map and data to the lieutenant governor and to the Automated Geographic Reference Center for a new review under this Subsection (2).

(3) (a) Subject to the requirements of this Subsection (3), each county clerk shall establish voting precincts and polling places within each Senate district according to the procedures and requirements of Section 20A-5-303.

(b) Within five working days after approval of voting precincts and polling places by the county legislative body as required by Section 20A-5-303, each county clerk shall submit a voting precinct map identifying the boundaries of each voting precinct within the county to the lieutenant governor and to the Automated Geographic Reference Center for review.

(c) Within 30 days after receipt of a voting precinct map from a county clerk, the Automated Geographic Reference Center shall:

(i) review the voting precinct map to evaluate if the [~~county~~] voting precinct map accurately reflects the boundaries of Senate districts established by the Legislature in the [~~official maps~~] Senate block assignment file;

(ii) determine whether the voting precinct map is correct or incorrect; and

(iii) communicate those findings to the lieutenant governor.

(d) The lieutenant governor shall either notify the county clerk that the voting precinct map is correct or notify the county clerk that the map is incorrect.

(e) If the county clerk receives notice from the lieutenant governor that the voting precinct map is incorrect, the county clerk shall:

(i) make the corrections necessary to conform the voting precinct map to the [~~official maps~~] Senate block assignment file; and

(ii) resubmit the corrected voting precinct map to the lieutenant governor and to the Automated Geographic Reference Center for a new review under this Subsection (3).

Section 6. Section **36-1-104** is amended to read:

36-1-104. Omissions from maps -- How resolved.

(1) If any area of the state is omitted from a Utah State Senate district in the [~~maps~~] Senate block assignment file enacted by the Legislature, the county clerk of the affected county, upon discovery of the omission, shall attach the area to the appropriate Senate district according to the requirements of Subsections (2) and (3).

(2) If the omitted area is surrounded by a single Senate district, the county clerk shall

attach the area [~~shall be attached~~] to that district.

(3) If the omitted area is contiguous to two or more Senate districts, the county clerk shall attach the area [~~shall be attached~~] to the district that has the least population, as determined by the official census population figures and maps [~~of the Bureau of the Census of the United States Department of Commerce developed in connection with the taking of the 2000 2010 national decennial census~~] described in Subsection 36-1-101.5(2).

(4) [~~Any attachment~~] The county clerk shall certify in writing and file with the lieutenant governor any attachment made under [~~Subsection (1) shall be certified in writing and filed with the lieutenant governor~~] this section.

Section 7. Section **36-1-105** is amended to read:

36-1-105. Uncertain boundaries -- How resolved.

(1) As used in this section, "affected party" means:

(a) a senator whose Utah State Senate district boundary is uncertain because the [~~identifying feature~~] boundary in the Senate block assignment file used to establish the Senate district boundary has been removed, modified, or is unable to be identified or who is uncertain about whether or not [~~he~~] the senator or another person resides in a particular Senate district;

(b) a candidate for senator whose Senate district boundary is uncertain because the [~~identifying feature~~] boundary in the Senate block assignment file used to establish the Senate district boundary has been removed, modified, or is unable to be identified or who is uncertain about whether or not [~~he~~] the candidate or another person resides in a particular Senate district; or

(c) a person who is uncertain about which Senate district contains the person's residence because the [~~identifying feature~~] boundary in the Senate block assignment file used to establish the Senate district boundary has been removed, modified, or is unable to be identified.

(2) (a) An affected party may file a written request petitioning the lieutenant governor to determine:

(i) the precise location of the Senate district boundary;

(b) In order to make the determination required by Subsection (2)(a), the lieutenant governor shall review the [~~official maps~~] Senate block assignment file and obtain and review

other relevant data such as [~~census block and tract descriptions,~~] aerial photographs, aerial maps, or other data about the area.

(c) Within five days of receipt of the request, the lieutenant governor shall review the [~~maps~~] Senate block assignment file, obtain and review any relevant data, and make a determination.

FYI: Attached are 8.5 x 11 map packets for the Senate, House, and School Board plans that have passed both the House and the Senate.

We gave out a couple of packets today in response to legislator requests. Senate, House, and School Board files have 8, 11, and 5 maps, respectively.

Jerry has asked that I add the office logo at the bottom of the maps next week.

I got asked today by a legislator today for a map with more detail. The maps point users to RedistrictUtah.com for additional detail.

You can find these maps at "V:\MasterWorkspace\Documentation of 4 Plan Types\ENROLLED---COMBINED PDFs of individual areas around state".

Redistricting Committee,

The Chairs of the Redistricting Committee have asked us to post notices for possible Committee meetings on Monday and Tuesday of the Special Session (and additional days if needed). These meetings will be held only if there is a need for the Committee to review new Redistricting plans and to give the public opportunity to provide input and comment. Attached are the notices and agendas. You will see a formal posting shortly. If they are not needed, these meetings will be canceled.

Joe,

The maps you asked for are attached. By the way, we realized that there is one more split city that I did not include in my email yesterday. Park City is mostly in Summit County but a small piece is in Wasatch County. The Wasatch County piece is less than 20 people and is in a different district than the rest of the city.

Leif,

First of all, thank you so much for the late-day work you did on Wednesday. It was extremely helpful.

Second of all, is there an overlay of new House/Senate maps on the Congressional map? This is obviously related to questions about which legislator will be part of which new congressional district.

John, Jerry, Joseph, Leif, Art, Brian, Phil, Ben, Allison, Rich:

FYI: Attached are 8.5 x 11 map packets for the Senate, House, and School Board plans that have passed both the House and the Senate.

We gave out a couple of packets today in response to legislator requests. Senate, House, and School Board files have 8, 11, and 5 maps, respectively.

Jerry has asked that I add the office logo at the bottom of the maps next week.

I got asked today by a legislator today for a map with more detail. The maps point users to RedistrictUtah.com for additional detail.

You can find these maps at "V:\MasterWorkspace\Documentation of 4 Plan Types\ENROLLED---COMBINED PDFs of individual areas around state".

There were a few more plans that Rep. Sumsion discussed at today's meeting that I don't have the official name for the minutes:

One was "box 3" (that's what it sounded like to me). It was created by Rep. Sumsion.

The other was one created by Dougall called Cong 3? or something that sounded like that.

Leif, could you confirm the correct names? I've cc'd the rest of you to see if you happened to know also.

Thanks so much...and no hurry on this. I know you're super busy!

Thanks!

Hi Leif - at today's meeting Chair Sumsion discussed a plan by Casey Anderson called "Anderson_01". Do you know the correct spelling of the submitters name? I just want to get it right for the minutes. Also, do you know if that is Casey Anderson, as in Sen. Casey Anderson?

Thanks,

Kim
