John—you're bound to do better than NM which ended a million dollar redistricting session with NO plan accepted by both legislature and governor so that it's now headed to court. My impression is that you'll fare much better due to pre-work. So more than luck, Mary Lou

That sounds good Mary Lou. I'll wait to hear on the other panelists. And yes, we'll need some good luck with the special session starting Monday!

John—Diane Boyer with California Legislative Counsel Bureau will either serve on your technology panel or send someone else. Their topic is the technology to authenticate and preserve electronic legal material. Before the event, I will secure 1-2 additional panelists once we see who registers.

Good luck with special session!

I could send my librarian. He and I are on the strategic planning committee for our office that has as its goal preservation of legal material. He also attended at least one drafting committee for the ULC on the uniform act. He is also working on the white paper with me. Do you want me to check with him? Also, if you can wait a little bit, I might be able to attend for one day. My issue is personal in the sense that I am trying to take care of a sinus problem which requires an outpatient procedure and a few days off. I won't know when the procedure will be scheduled until next week.

Hello again,

I have attached all the comments from the RedistrictUtah.com website into the Excel document. As always, you can sort by the post, author, etc.

For easier readability, I have marked the Base Maps in blue, and the 6 Congressional finalist maps in pink, so you can briefly look through them before tomorrow's meeting.

Let me know if you have any questions.

P.S. I apologize for sending out so many eMails about this, but I spoke to the organizer of the Hinckley Forums, and she and I worked out some dates and times. Now I have a better idea on what times could work, and we can choose which would work best for those interested in attending. The dates/times are:

(All in October)-

Monday, the 17th at 2 or 3.
Tuesday, the 18th at noon.
Wednesday, the 19th at 10:45.
Thursday, the 20th, at 12:15.
Monday, the 24th, can choose whichever time.

Hello Committee members,

We're still looking for one or two more members to join us for a Hinckley Institute of Politics (at the U) forum. The forum will be held sometime during the week of the 17th of October, and they are more than willing to work around your schedule.

These forums usually last about an hour, with 10-15 minutes dedicated to questions, or more, if you wish.

Give me a call or send me an email if you're interested, as we're trying to hammer out the details today or tomorrow. Thanks so much!

Hello Everyone-

On Wednesday, I was in the House Republican Caucus while they discussed redistricting. Towards the end of that discussion, Rep. Ipson stood and expressed his appreciation for our staff and our work on redistricting. He went on for a minute or two about the long hours worked, and described our staff as "amazing," "committed," and "professional." He talked about the 17 meetings held around the state this summer and how they could walk in to a meeting hundreds of miles away from the capitol and "all we had to do was sit down" because staff had already been there and had everything ready for them. I could go on, but you get the idea. Following his comments, the entire caucus stood and applauded our staff. For Rep. Ipson and those directly involved in redistricting, the appreciation was clearly genuine and heartfelt.

As we try to catch our breath before taking the plunge into the final committee meetings and the special session, I say thank you to so many who have helped in different ways to make this work. Mike often reminds us to "be our best professional selves," and you have done that in a remarkable way during these past few months. Special thanks are due to those who have logged so much time with legislators drawing plans, but it has been a broad team effort by so many of our staff. Please know how grateful I am to each of you for your help. Your work and your efforts are noticed and very much appreciated.

John
