58-31b-601 Minimum standards for nursing programs -- Medication aide training.

- (1) Except as provided in Subsection (2), to qualify as an approved education program for the purpose of qualifying graduates for licensure under this chapter, a nursing education program shall be accredited by an accrediting body for nursing education that is approved by the United States Department of Education.
- (2) In accordance with Title 63G, Chapter 3, Utah Administrative Rulemaking Act, the division, in consultation with the board, may make rules establishing requirements for a nursing education program to qualify for a limited time as an approved education program for the purpose of qualifying graduates for licensure under this chapter, if the program:
 - (a) is in the process of obtaining the accreditation described in Subsection (1);
 - (b) has recently been denied accreditation after seeking to obtain the accreditation described in Subsection (1); or
 - (c) has recently lost the accreditation described in Subsection (1).
- (3) In accordance with Title 63G, Chapter 3, Utah Administrative Rulemaking Act, and the provisions of this chapter, the division shall make rules defining the minimum standards for a medication aide certified training program to qualify a person for certification under this chapter as a medication aide certified.
